Subject: Confirmation and Request for the Development of the
"Smart Agricultural Decision Support System for Sri Lanka"

Dear Sir/Madam,

This letter is to formally confirm our interest in and support for the project titled "Smart Agricultural Decision Support System for Sri Lanka" proposed by Group CST 07 of the Department of Computer Science and Informatics, Uva Wellassa University of Sri Lanka.

We understand that the proposed system is designed to assist agribusiness managers, entrepreneurs, and agricultural stakeholders by providing intelligent decision-support functionalities such as:

- Crop recommendation based on environmental conditions
- Yield and profit prediction using machine learning techniques
- Farm management and activity tracking
- Digital marketplace facilities connecting producers and traders
- Smart agricultural monitoring and management support

We believe that this system will contribute significantly to improving agricultural productivity, decision-making efficiency, and market accessibility within the Sri Lankan agricultural sector.

As the client of this proposed project, we are willing to provide the necessary domain-related information, practical insights, and feedback required for the successful development and evaluation of the system.

Therefore, we hereby confirm our support and request for the development of this project as part of the undergraduate research and development activities conducted by the students of Uva Wellassa University of Sri Lanka.

We appreciate the efforts of the project team and wish them success in the completion of this project.

Thank you.

Yours faithfully,

Mr. Nishantha Samaranayake
